Upcoming Workshop: Increase Your Social Security

Call us at 617-661-7867, ext. 0 to register

Did you know that nearly 75 percent of Americans get less retirement income than they could have – **because they collected Social Security benefits too soon?**

The fact is, if you wait to claim your benefits by even a year or two **it's likely to pay off in higher benefits for the rest of your life.**

Don't be part of the 75 percent with less money! Join us **this Wednesday** for the **free** workshop:

Strategies to Increase Your Social Security

This Wednesday, Aug. 2, 4:30 p.m.
