

# Did you know we offer:

- ◆ **Customized recruitment** – events at our Cambridge or Chelsea location, where you can meet applicants with relevant experience and skills.
- ◆ **Job posting services** – your jobs posted for you on the state-sponsored JobQuest site.
- ◆ **Targeted recruitment campaign** – your job listings sent to a targeted pool of job seekers with the experience you're looking for.
- ◆ **Job fairs** – connection to qualified applicants. Includes online and print promotion of your company via our website, local media outlets, social media and email marketing to qualified candidates.
- ◆ **Professional development and networking opportunities** – information sessions on topics such as ways to use social media to recruit talent, funding for training employees, updates on healthcare laws, and tax incentives for hiring veterans.
- ◆ **Information on labor market trends in your industry** – material on the latest employment trends to help you stay up to date.
- ◆ **Training opportunities for your employees** – customer service and sales training and certification, employee coaching, management training and more.

*"... Career Source has been a great help in finding candidates in the Boston area. We are always trying to diversify our staff to represent the communities in which we serve, and Career Source has been great helping us to spread the word." – Director of Recruitment, Conservation Services Group*
